## AQUA SAFE

CODE	SIZE MM
4401-1207	580 wide x per m

Aqua safe is perfectly suited to the leisure industry where the potential of slipping on wet floors is likely. It offers an extremely cost effective way to avoid accidents and reduce costly claims. Ideal for all wet areas including, swimming pools, shower areas, changing rooms and other areas regularly exposed to water. The curved design allows water to easily drain off, providing slip resistant, safe dry surface. Also warm and comfortable under foot. Ideal for large area coverage with the interlocking system. Aqua-safe is treated with antimicrobial additive for protection against the growth of mould, mildew, fungi and odour causing germs.
